Property Description

Corner Cottage is a beautifully presented, character-filled home located in the heart of Muker, one of Swaledale's most sought-after and picturesque villages. Full of charm and traditional features, the cottage is ideally situated on the iconic Coast-to-Coast walking route, ensuring year-round visitor appeal.

Muker is a thriving village with a warm community atmosphere and a selection of local amenities including a traditional pub, tearoom, gift shop, the renowned Swaledale Wool Shop, an art gallery, and a busy campsite—making it an ideal setting for home, holidays, or business.

The property's layout is both versatile and distinctive. Upstairs features a bright, airy lounge which was previously two separate rooms and retains the potential to be reconfigured to add a fourth bedroom—ideal for twin beds or guests. This level also includes a single bedroom and a full bathroom. A pull-down loft ladder in the lounge provides easy access to a loft storage area, enhancing practicality.

Downstairs, the property offers two generous double bedrooms, a well-appointed kitchen, a dining room, a shower room, and a utility area. There is also a very useful stone-built storage room with electric lighting, ideal for bikes, tools, or seasonal items.

Modern Heating & Smart Control
The home benefits from the latest Rointe electric heating system, which can be

operated both locally and remotely via a dedicated app. The system is also Economy 7 compatible, allowing for cost-effective energy use during off-peak hours.

Flexible Layout for Multi-Generational Living
With two separate front doors and rear ground-floor access, this home is ideal for multi-generational living or for creating private guest quarters or letting accommodation.

Outstanding Investment Potential
Corner Cottage offers excellent potential as an Airbnb or holiday let. Furthermore, the separate ground-floor access opens up the possibility—subject to planning consent—for a boutique retail unit, perfectly positioned to attract walkers and tourists travelling along the Coast-to-Coast route.

For purchasers seeking a turnkey holiday let or second home, the property is available fully furnished (with the exception of certain personal effects), subject to separate negotiation.

Externally, there is a small, welcoming seating area at the front, and shared access to the rear.

This is a rare opportunity to acquire a unique, flexible, and well-located property in one of the Dales' most scenic and desirable villages. No onward chain.
