Set on a popular residential street, this beautifully maintained property offers approximately 1,854 sq ft of stylish and versatile living space. The welcoming hallway with engineered wooden flooring throughout leads to two inviting reception rooms connected by solid wood, glass-panelled doors, offering both separation and flow. The second reception features a charming fireplace and opens into a stunning open-plan kitchen and dining area — the true heart of the home. Complete with state-of-the-art integrated appliances, a breakfast bar, and two large electronic Velux rain-sensor windows, the space is bathed in natural light and ideal for entertaining or relaxing with family. A ground-floor WC adds further convenience.

Upstairs, the first floor hosts three bright and well-proportioned bedrooms served by a modern family bathroom, while the top floor is dedicated to a luxurious master suite with built-in eaves storage, two Velux windows, a Juliet balcony, and a sleek en-suite shower room.

The generous 65 ft garden combines paved and lawned areas with a water fountain, covered pergola, and hammock — perfect for year-round enjoyment. A spacious, light-filled brick-built outbuilding with a shower room and hidden storage offers excellent versatility as a home office, gym, or guest room. To the front, a private driveway provides parking for two cars and a wired video entry system enhances convenience and security.
