Summary

As you enter The Quays, you'll be exposed to the magnificent décor, which seamlessly blends period features with contemporary touches. The property features 11 substantial bedrooms, each with their own unique design, and 7 bathrooms. It also includes an open-plan kitchen/dining area, a bright and airy lounge, and a basement that's currently being used as a hot tub room. The large private rear garden offers gorgeous views of Christchurch Priory Church. The Quays boasts two independent wings: the East Wing and the West Wing.

The Quays offers the potential to live in the sumptuous 6-bedroom East Wing while deriving a substantial income from the 5-bedroom West Wing. In the financial year 21/22 the gross income attributable to the East Wing from furnished holiday lets was circa. £69,000. The East wing also benefits from its own off road car parking for 8 cars and includes an outbuilding used as a hot tub room. There is potential for electric gates, with electrics in place and room for a double garage. (subject to the necessary permissions being granted)

The property can be sold as seen, as it has been fitted to a very high standard. There is no forward chain, and The Quays has been completely refurbished only 7 years ago, with both wings serviced independently.

Located in the Priory Quarter of Christchurch, The Quays is perfectly positioned to take advantage of everything this bustling town has to offer. It falls within the shadow of the 11th-century Priory Church, reputed to have the longest parish church nave in England. The property is within walking distance of picturesque riverside walks, boating activities and the town centre, which boasts an excellent range of restaurants, cafes, bars and High Street shops. This home serves as the perfect base from which to explore this beautiful part of Dorset.

Christchurch is a market town at the confluence of the Rivers Avon and Stour, situated in the County of Dorset and bordering Hampshire and The New Forest. There are many Blue Flag award-winning beaches within an approx. 3-mile radius such as: Southbourne beach, Avon beach, Highcliffe beach and Friar's cliff beach. Direct railway services to London Waterloo take just 1 hour and 40 minutes. Bournemouth International Airport is just 5 miles away.
