Vendor Statement

I have lived at 17 First Avenue for 14 years, it has been an amazing place to live with excellent amenities close by to include independent restaurants, bars, cafes and shops. First Avenue has

direct access at the end of the road to Cannon Hill Park, plus the cycle route to follow the river Rea in both directions. We are very close to good primary and secondary schools.

There is a sense of community in the avenues, we have a First Avenue WhatsApp group, I know most neighbours by name and The Avenues also have a Facebook page that is strictly for the Avenues and surrounding roads.

We are part of a conservation area and this really appealed to me when I bought, houses are around 120 years old and really attracted me when buying a house that protects the original architecture as much as we can for the frontage.
