133a Manygates Lane, Sandal, Wakefield, WF2 7DS

For Sale Freehold Asking Price £650,000

A deceptively spacious four bedroom dormer bungalow style property tucked away in a back water position on a good size plot in this highly sought after area, ideal for the growing family.

Presented to an unusually high standard, this beautifully kept property has a gas fired central heating system and sealed unit double glazed windows and enjoys an excellent degree of privacy. A central reception hallway provides a warm welcome to this home and leads through into a family room that has French doors straight out into the rear garden. Adjoining the family room there is a sitting room that also has French doors out to the patio to the rear as well as an archway through to the front where there is a further living room. The kitchen is fitted to a high standard with a good range of contemporary units with granite worktops and integrated appliances. Also on the ground floor there is a double bedroom and a modern shower room/w.c. To the first floor the principal bedroom has a large en suite bathroom/w.c. and there are two further double bedrooms in addition to a well proportioned landing that has sufficient room for a study area, if required.

Outside, the property has a neat garden to the front together with a driveway that provides ample parking and turning space and leads up to garaging for three cars. The garage block presents great potential for conversion (subject to gaining all the necessary consents) into additional accommodation for a dependant relative or indeed for the creation of separate 'Work from Home' space. To the rear of the property there is a stunning south facing garden with a broad tiled patio seating area stepping down to a manicured lawn with well established beds and borders as well as a further decked seating area.

The property occupies something of a tucked away position in this highly sought after close to the castle in Sandal. A good range of local shops, schools and recreational facilities are close at hand as well as the local railway station. A broader range of amenities are available in the nearby city centre of Wakefield and the national motorway network is readily accessible.
