Coming Soon - Design & Build Opportunities up to 70,000 sq ft

Overview

Long-awaited work to build a new business park in Pickering, North Yorkshire is expected to begin Summer 2022.

Planning permission has been granted for 184,000 sq ft of new industrial space called Pickering Park.

The development will form phase three of the Thornton Road Business Park and will be accessed off Enterprise Way.

York based construction company Lindum Group will develop the site following support from York & North Yorkshire Local Enterprise Partnership (Y&NY LEP) and Ryedale District Council.

The scheme is being brought forward after Lindum was awarded £880,000 from the Government's 'Getting Building Fund' via the LEP. The investment has supported site preparation and infrastructure to enable development.

Overview Specification

Buildings will benefit from the following specification:-

6-8m
eaves heights

Level access & dock
level loading doors

30-50kn/m²
floor loading

Significant power
supply

Electric vehicle
charging availability

Cycle storage

Large units will include
office provision

EPC
A Rated

Dedicated car
parking spaces

Energy & Carbon Efficient Buildings

The buildings will benefit from the following efficiency and sustainability features:-

Ability for on-site renewable energy generation

Environmentally preferable building materials

Water conserving sanitaryware

Increased insulation levels

Low energy lighting
