Quality of life is about the details of everyday living. From the little things, like knowing the nearest place to pick up a pint of milk, to more important matters like finding the right school or having a health centre nearby, you need to know that the community you're moving to will support you and your family, as well as being a pleasant place to live. So here's some useful information about the area around Kings Meadow.

On the northern edge of Bidford-on-Avon, half a mile from the village's busy High Street, the development is just five minutes' drive from the A46, offering drive times of around half an hour to Worcester and Leamington Spa. Buses between Stratford-upon-Avon and Evesham stop 150 yards away, and the journey to Stratford takes around fifteen minutes.

Bidford-on-Avon is served by two railway stations. Trains between Hereford and London Paddington stop at Honeybourne, five miles south of the village, reaching Worcester in around 30 minutes and London in approximately two hours. Services from Stratford-upon-Avon, seven miles to the east, run to Birmingham, around 40 minutes away, and to Leamington Spa from where there are connections to London Marylebone and Euston.

The beautiful village of Bidford-on-Avon grew up around a fifteenth century bridge that, rebuilt several times, still links the picturesque High Street with pleasant meadows stretching along the River Avon. Just ten minutes walk from the charming village centre, this attractive selection of modern, energy-efficient two, three, four and five bedroom homes creates a highly desirable new neighbour-hood within around 45 minutes drive of Worcester, Leamington Spa and Cheltenham. Welcome to Kings Meadow...

The Miller Difference

“Buying a property is one of the most important decisions in life and I am delighted that Miller Homes made it an easy one for me.”

Chris Mackenzie
Miller Home Owner

“We are so impressed with the exceptional customer service and quality of our home that we’ve recommended Miller Homes to a friend.”

Helen Moscrop
Miller Home Owner

The Miller Difference

We’re enormously proud of the homes we’ve been building for the last 80 years, and throughout that time we’ve been listening to our customers and learning from them. From insisting on the best workmanship and the highest quality materials right through to recognising our responsibilities to the environment.

During this time we’ve seen many generations of families enjoy our homes and developments, and we’ve seen the happy, thriving communities they’ve become.

Trust

For us, the most important people are the customers who choose our homes in which to build their future. Their satisfaction and confidence in us, from our very first meeting onwards, is a key measure of our success.

We’re proud of the independent surveys that consistently show our high levels of customer satisfaction. That’s the real barometer of our quality and our service.

Helping where we can

We invest everything into your customer journey - it’s designed not just to please you, but to exceed your expectations.

When you become a Miller customer, we’ll listen to you right from the start. From the day you first look around a showhome until long after you’ve moved in, we’re here to offer help and support. We’ve been doing this a long time so we have a vast amount of experience to draw on.

We don’t want you to just be satisfied, we want you to be proud of your new home and delighted by the whole experience. We want you to recommend us, too.

Pushing up standards

We frequently win awards for the quality of our homes. For their generous specification, skilful construction, beautiful locations, and for the teams that build them. We are acknowledged experts in the field. You can see the quality of our product and you will notice the quality of our service as we guide you through the many different ways of buying your home. It’s a customer journey that has taken 80 years to perfect.

We know the importance of workmanship and job satisfaction. We look after our teams, we train and employ the best people and we reward safe and careful practice.

Keeping you involved

First you’ll meet your Development Sales Manager who will give you any help you need in choosing and buying your home. Then your Site Manager, who will supervise the build of your home and answer your questions along the way.

We’ll invite you to a pre-plaster meeting with your Site Manager during the construction of your new home, where you’ll get to see, first hand, the attention to detail, care and craftsmanship involved.

Wherever practical, we ask you to choose your own kitchen and bathroom including your own tiles, worktops, appliances and other options. Your home becomes personal to you long before we’ve finished building it.

A Better Place

We don’t just create more homes, we enhance locations with our developments. Places where people will make friends, enjoy family life and take pride in their neighbourhoods and surroundings. We even provide a unique www.mymillerhome.com website to keep you up to date on the build progress of your home and to help you get to know the area, your neighbours and live more sustainably once you’ve moved in.

For your future

For us, success is building exceptional homes, in sustainable communities. And that’s how we’ve built a business that goes from strength to strength.

The High Street's diverse, traditional shopping environment includes a newsagent, off-licence and general store, a family butcher, a baker, a convenience store and a hardware shop interspersed with cafés, restaurants, takeaways and traditional pubs. Near the end of the High Street there is a Warner Budgen's supermarket incorporating the village Post Office. Other services in the High Street include an optician, a bank and a number of hairdressers.

Nearby leisure amenities include a popular swimming pool at Bunkers Hill, three miles away, golf at Bidford Grange Country Club on the edge of the village, and leisure centres with swimming pools, gyms and sports facilities at Stratford and Evesham.

Outdoor amenities include the 26-acre Big Meadow, a popular riverside gathering place with extensive play equipment and the venue for several annual events. Oversley Wood at Alcester, four miles to the north, contrasts with the endless opportunities for riverside walks and boat trips along the River Avon, and the more unusual local attractions including Bidford Gliding and Flying Club, two miles to the south. The vast open expanse of the Cotswolds is just eight miles away.

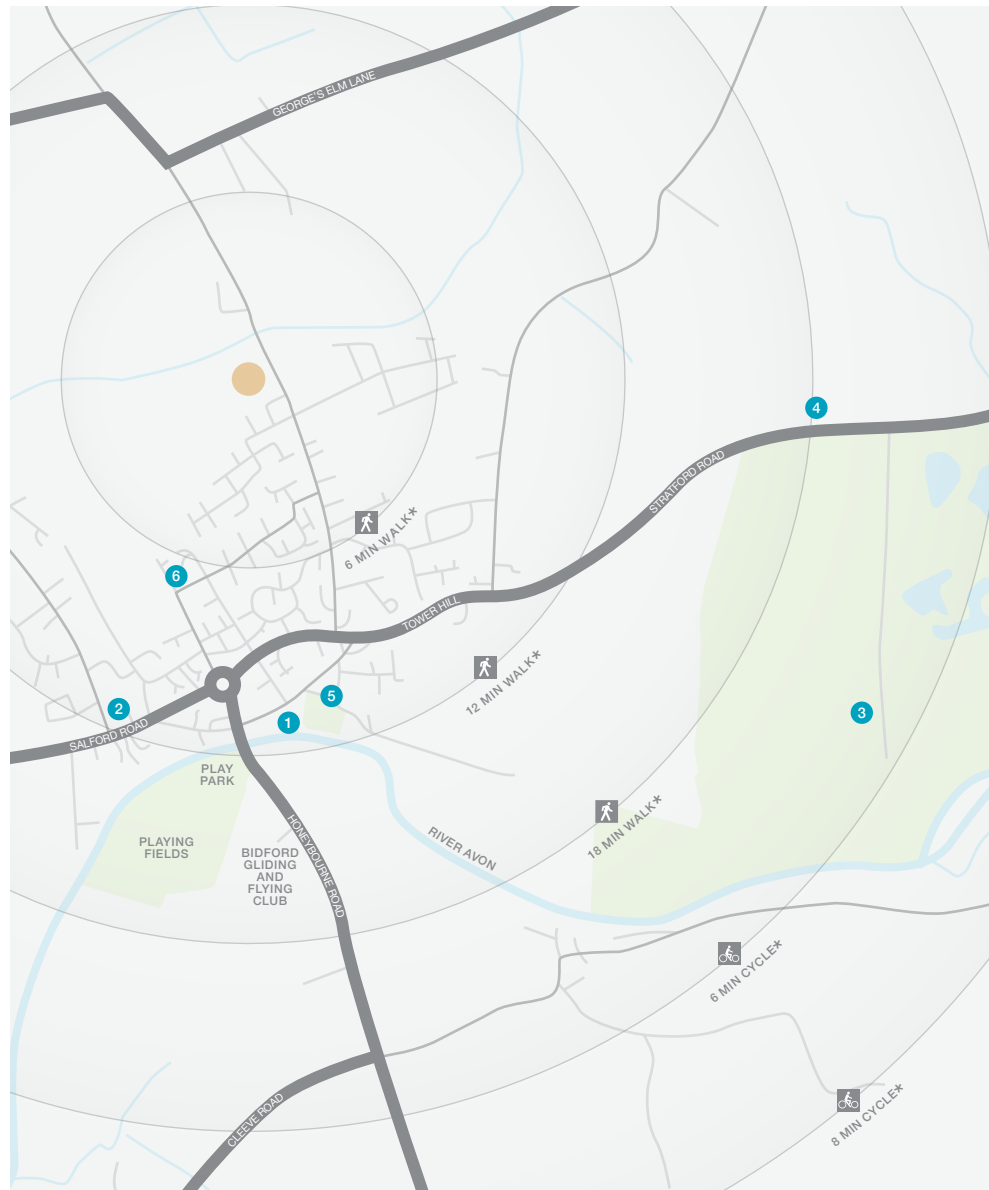

When you leave the car at home and explore the local area by foot or bicycle, you get to know it so much better. And by using local shops and services, you'll help to keep the neighbourhood vibrant and prosperous. Every place has its own personality, and once you move in you'll soon find your favourite walks, and the shops you like best. As a starting point this map shows some of the most useful features and services within a short stroll or bike ride.

The village's Health Centre is housed in a modern, purpose built teaching GP practice with its own dispensary, complementing a nearby pharmacy. There is also a large dental surgery just off the High Street.

Bidford-on-Avon C of E Primary School, rated 'Good' by Ofsted, is just a short walk from the development.

Amongst its features is a 'Forest School' area where children can explore nature throughout the changing seasons. Pupils normally move on to Alcester Academy, three miles to the north. There is also a co-educational grammar school and Roman Catholic schools, Our Lady's Catholic Primary and St Benedict's High, in Alcester.

Why Miller Homes?

We've been building homes since 1934, that's three generations of experience. We've learned a lot about people and that's made a big difference to what we do and how we do it.

We're enormously proud of the homes we build, combining traditional craftsmanship with new ideas like low carbon technologies. The big difference is that we don't stop caring once we've finished the building, or when we've sold the house, or even once you've moved in. We're there when you need us, until you're settled, satisfied and inviting your friends round.

This brochure is printed on GalerArt and contains material sourced from responsibly managed forests. It's certified by the Forest Stewardship Council, an organisation dedicated to promoting responsible forest management and manufacture of wood products. Like paper. It's a small thing, we know, but enough small things make a big difference. Please recycle this brochure and help make that difference.
