Freshly decorated and with new carpets throughout, this two-bed, end of terrace house in Woodville would make a perfect home for first time buyers or an ideal investment property.

Upon entering the property there is the first of two reception rooms, which is a good sized room and would make a perfect living space. This room leads into the second reception room, past a door for the under stairs storage. This room would make for a great dining area or an alternative living space. Continuing through, this second reception room leads onto the kitchen, which has an electric oven and a gas hob as well as space for an under counter appliance. The kitchen leads through to the 3-piece bathroom, which also houses the boiler (that has a full service history) and a handy airing cupboard. Back in the kitchen, there is another door which leads to a very helpful lean-to/utility area. This area has further cupboard space, worktops, a sink and space for a washing machine/dryer and provides enough space for a free standing fridge/freezer. From the lean-to/utility room you enter the garden. Even though this is an end of terrace, access is not required through the garden. Instead, there is side access alongside next door to be able to take the bins out to the street. The garden itself has a handy outbuilding attached to the house, along with decking, a lawn, a slabbed area and a shed which sits alongside a slated sitting area.

Upstairs, there are two good sized double bedrooms. The main bedroom is slightly larger and also benefits from a cupboard over the stairs, for extra storage. In this cupboard, there is access to the loft.

The property has great transport links as it is located just off the A511, giving great access to local towns like Swadlincote, Burton and Ashby-de-la-Zouch. The property is also close to local amenities, shops and schools, with a Tesco and Woodville Primary School just around the corner.
