The south-facing garden deserves special mention and is a genuine retreat in its own right: considerable time and love have gone into creating a verdant, private sanctuary that's both beautiful and wonderfully maintained. The new patio provides the ideal spot for al fresco dining or simply soaking up the sunshine, while the lush, well-kept borders and lawn create that perfect sense of peace and seclusion. Whether you're a keen gardener or simply appreciate a lovely outdoor space to relax in, you'll find this garden absolutely delightful. The garage, complete with a new roof, offers valuable storage space.
