

A COLLECTION OF 3, 4 & 5 BEDROOM
PREMIUM HOMES

A WARM WELCOME TO WOODLANDS RIDGE

Woodlands Ridge is a brand-new development of meticulously designed and traditionally constructed homes on the edge of the highly sought-after village community of Ranskill. Built by multi-award-winning local developers Hughes McLaughlin Homes, the development is to be completed over two highly individual phases.

This premium village edge development will be spread over a collection of separate access roads, creating a series of private Cul-de-sacs, with each road hosting no more than seven individual homes. The carefully considered design means there will be no busy 'through roads' anywhere in the development, allowing for that peaceful, private country lifestyle we all crave.
