THE ISLE OF ARRAN

Arran is an incredible place to call home. With clean air, clear water and some of Scotland's most incredible scenery, you can share your island with eagles, otters, red squirrel and deer. The island communities are small enough to become involved, yet big enough to keep you interested and growing. We can't recommend it enough!

The location in the centre of Brodick, one of the Isle of Arran's largest villages, is extremely desirable with an open aspect and wonderful views. It is in an ideal position for easy access to the shops, restaurants and other village amenities, such as the health centre, tennis courts, bowling green, and an 18-hole golf course. Brodick has its own primary school, the secondary school being in Lamlash to which pupils are conveyed daily by bus. Brodick is also home to the main ferry port for the island
