Aberdeen is considered the Energy Capital of Europe and is Scotland's third city with a population of circa 225,000 and a catchment in excess of 500,000. The city has a thriving student population, in the region of 22,000, being home to two universities. 47% of the city centre population is aged between 26 and 40. In recent times Aberdeen has seen a 50% reduction in available rental properties resulting in a significant 13% rise in rentals between Q1 2022 and Q2 2023 (Citylets).

DESCRIPTION

Built in 1979, Ruby House forms a four storey, L shaped detached office building of concrete construction along with 36 no car parking spaces. The development opportunity is a rare and welcome commodity within the City Centre. Ruby House and the car parking are accessed from Ruby Lane and the entire site extends to approx. 0.35 ha (0.87 acres).
