This exceptional four-bedroom Victorian semi-detached house has been recently extended and refurbished to a fantastic standard.

If you are looking for a stunning home in turn-key condition with a good-sized garden and great outdoor living space, we are confident you've found it - and we would love to show you around.

On arrival, you will be impressed with the brick work and tiled pathway to the smart timber front door. The reception hall has a lovely guest WC, walk-in pantry and separate utility room. The front formal bay-window reception room has a feature fireplace and smart built-in bookshelves. You then head through to the absolute show stopper - the open plan kitchen/dining/living room with tri-panel sliding doors opening to the South facing garden. On the two upper floors, there are four bedrooms (main with ensuite, walk-in wardrobe and air conditioning) and a contemporary family bathroom.

Located in an increasingly popular residential area close to transport options and excellent schools including Ealing Fields High School.

Undoubtedly one of the best houses to come onto the market locally this year; viewing is a must.
