WESTLEY VIEW WHITTLESFORD

Situated in the much sought-after village of Whittlesford with its pretty village green, The Lawn, and framed by countryside and the river, Westley View offers an exclusive development of just seven 3 and 4 Bedroom family homes. Nestled down a small private road adjoining open countryside, the properties benefit from a good degree of privacy, with Plots 5–7 also benefitting from glorious countryside views.

Each property has been carefully designed to expertly blend traditional style with today's modern living, providing considered space with a high specification of finish throughout. The properties benefit from superb open-plan kitchen/dining/ family rooms to the heart of the home with separate spacious living rooms and study to the larger plots. Bi-fold or French doors open out to generous landscaped gardens for outdoors-in living and enjoyment. Comfortably sitting in this tucked away position within the village, the properties are well placed for all the village has to offer.

Whittlesford is a charming riverside village noted for its quality homes lying 7 miles south of Cambridge and 8 or so miles north of Saffron Walden. The village has become a focal point of South Cambridgeshire in recent years with its fast commuter rail service bringing London Liverpool Street within the hour. The village is served by a shop/post office and three public houses, the Tickell Arms, The Bees in the Wall and the Red Lion Hotel. The village has a genuinely thriving community for the young and old. There is a nursery and excellent primary school, active local Scout and Guide groups, gardening and music clubs and lots of village events. Communications are excellent with easy access to the A505 and Junction 10 of the M11 is within 2 miles.
