A superb open-plan kitchen/dining/family room is to the rear of the property and features large picture windows as well as sizable sliding doors that open to the generous patio and garden. This provides a great space in which to congregate as a family, cook, dine and entertain in. The kitchen itself is of high specification with an arrangement of integrated Siemens appliances, contemporary handle-less cabinetry, large island unit and quartz stone worksurfaces. Off the kitchen is a large utility, finished to the same high standard as the kitchen, and with access into the garage and to the garden also.

The first-floor accommodation is accessed via a light and spacious galleried staircase with glass balustrade leading to four generous double bedrooms, two of which having most spacious en-suite facilities. There is also a beautifully finished four-piece family bathroom with Porcelanosa sanitaryware and tiling with contemporary fittings, complimentary to the en-suites.

Outside, the property is set on a private road shared by just two other properties, and benefits from a good-sized private landscaped garden to two sides. The garden is predominately laid to lawn and is enclosed by closeboard fencing with gated access at the side. Mature planted hedging softens the borders, and there is a large patio area for outdoor dining. A bespoke high-quality cycle store/store/bin store offers plenty of storage space. Parking can either be the garage or on the block-paved driveway where there is parking for a further 3 cars. The private road is shared between the properties with rights and responsibilities over. There is no management company.
