

A photograph of a modern residential courtyard. In the foreground, a large, rectangular wooden planter box is filled with smooth, grey river stones. In the center of this planter is a circular, metallic water feature with a large, polished silver sphere on top. The courtyard is paved with dark grey stone tiles. In the background, there are several multi-story apartment buildings with light-colored brick facades and numerous windows. Many of the windows have small, white awnings. Balconies with glass railings are visible on the upper floors. The sky is a clear, bright blue. The overall atmosphere is clean, modern, and well-maintained.
