John German

When thinking of downsizing most people are really only looking to reduce the number of rooms, not reduce the size and comfort of the rooms they do want to use and this bungalow does that perfectly, with a large entrance hall, comfortable and generous reception rooms enjoying a modern open plan layout and two excellent double bedrooms. Also a great buy for younger people looking for something they can easily customise.

Entrance to the property is via an arched storm porch over a uPVC double glazed entrance door that opens into a large entrance hall.

The living room is open plan with what is now the dining room, this was formally bedroom three which could be easily reinstated with the simple addition of a stud wall. Both rooms have large uPVC double glazed windows that overlook the rear garden and field beyond. The living room has a feature fireplace with an elegant "Adam" style surround.

The kitchen has also been partially opened up to the living room and is fitted with an extensive range of base and eye level units with glazed display units with integrated lighting, under unit lighting, roll edge worksurfaces, inset one and a half bowl stainless steel sink unit with mixer tap, tiled splashbacks, built-in eye level oven and matching microwave, four ring gas hob with extractor hood over, integrated dishwasher, integrated fridge, tiled floor and a uPVC double glazed opening out into the rear passage. The passage provides access to the front of the property, into the garage and to the rear garden, there is space for utilities and a roll edge worktop.

On the opposite side of the bungalow sits two excellent double bedrooms each with fitted wardrobes, the largest of which overlooks the rear garden and completing the internal accommodation is a generous modern shower room fitted with a low flush WC, pedestal wash basin and a double shower.

Outside in front of the bungalow is a large driveway providing extensive off road parking as well as access to the double garage with a large up and over door, power and lighting connected and plumbing at the rear of the garage where there is space for the washing machine and a sink unit.

The rear garden is tiered with a well-stocked herbaceous borders, lawn and a paved patio area.

The Location - Findern is a sought-after village with a range of amenities including a village green, shop, hairdressers, pleasant countryside walks and easy access to the impressive new Mercia Marina located on the outskirts of neighbouring Willington. The property is conveniently located within easy access of local schooling within the John Port School catchment area and there is a local village primary school in Findern. Private education is also easily accessible with Repton School, Derby Grammar School for boys and Derby High School also being located within a ten minute drive.
