£925,000

This striking grand design style redevelopment skilfully elevates this once modest gardeners' cottage to a sophisticated modern home that sits harmoniously in its surroundings, with spectacular gardens and set on a large very private plot this house is truly a rare find.

The linear ground floor accommodation is designed to be open plan with a clear sightline throughout the living spaces banked by wrap around aluminium framed full height windows and bi-fold doors and with a central glass roofed kitchen area which ensures that the space is absolutely flooded with natural light.

The main living area is located at the far end of the property in the modern extension and enjoys uninterrupted 45 degree views over the garden with sliding doors leading out onto a paved terrace. The spacious dining area features oak stairs with glass balustrade rising to the first floor master suite. Continuing through the ground floor living space past a second seating area with bi-fold doors opening into the garden and into the kitchen area which has a glass roof with fitted blinds as well as a second set of bi-fold doors that also open onto the garden. The kitchen is fitted with a sleek range of modern units including a large central island, wooden work surfaces, inset sink with mixer tap, halogen hob oven, built-in microwave and eye level oven, fully integrated dishwasher, tumble dryer, washing machine and fridge freezer.

The open plan entrance lobby is located in the old cottage and features a second oak staircase to the first floor galleried landing and a short hallway leads off to the guest WC and to the third ground floor double bedroom.

Bedroom two is an excellent sized double room with Velux skylight and a window to the front. There is a luxury shower room next door with a contemporary suite comprising double shower, low flush WC and wall mounted vanity washbasin with storage beneath.

Back on the opposite side of the building the master bedroom is a spectacular room featuring a full height apex window with lovely views over the garden and a large freestanding bath tub. The en suite shower is tucked around the corner with a walk-in shower, concealed flush WC and a wall mounted vanity washbasin with storage beneath.

Bedroom four is currently used as a dressing room.

Outside the entrance to the property is off Leafgreen Lane with electric double gates opening into a large gravelled driveway providing extensive off road parking and turning space with a wooden carport tucked away in the corner. In front of the property is a lawned front garden with box hedging and a circular seating area behind which is a high privet hedge providing excellent privacy. Adjacent to the house are three distinct paved seating areas accessed from the various sets of doors creating a seamless connection between the house and the garden with views over both the front garden and a second larger lawned area to the side with gravelled pathways and box hedge borders leading past some magnificent mature trees.
