16-18 New Bridge Street holds a prominent corner position, located on New Bridge Street at the intersection with Tudor Street. The area is home to a variety of occupiers owing to its ease of connectivity across central London and the vibrant Midtown sub market. The property is a one-minute walk from Blackfriars Station, providing access to City Thameslink and South Eastern services, as well as Circle and District Underground lines. In addition, City Thameslink, Farringdon and St Pauls are all within walking distance, providing excellent access to the City, West End and South Bank. The reception and common areas are currently undergoing an extensive refurbishment.

The 5th floor will be available for occupation in November 2023 following a comprehensive fit-out, as indicated the CGIs.
