LEIGHWOOD
— FIELDS —

YOUR FOREVER HOME

— FOUND —

Discover a truly superb place to call home,
and build a life for the years to come.

At Leighwood Fields, you'll find stunning Arts and
Crafts-inspired houses surrounded by tree-lined
avenues, fields and woodland. Elegant, traditional
features adorn every home, such as bay windows,
gables, chimneys and porches.

Inside, the rooms are spacious and filled with light,
offering designer kitchens and bathrooms with
luxury finishes throughout. Outside, every house
comes with a well-sized garden and parking.

LEIGHWOOD
— FIELDS —

THE MAPLES

When you put down roots at Leighwood Fields, you'll soon feel like you've been here forever.

Carefully planned to make the most of the timeless local landscape, the development features ancient woodlands, a community orchard, village green, play areas and views across to open farmland, all moments from your front door.

Just a few minutes' walk away, the area will feature a new 60 acre country park, offering combined footpaths and cycle paths, adventure park, and lake, all on your doorstep.

Stroll along quiet leafy streets or follow the flowing Littlemead Brook to the village pond, stopping off along the way at one of the natural outdoor play areas with just a short walk taking you to the charming cafés, restaurants and boutiques of Cranleigh high street.

This is the ultimate in tranquil rural living.

MAKING YOUR MOVE — EASIER —

MyHome Plus is an online service designed to help you manage key aspects of your new home at anytime from anywhere around the world.

**myHome
PLUS**

1. FILING CABINET

In the filing cabinet section you can access documentation relating to your new home immediately at your own convenience.

2. MEET THE TEAM

This section provides an introduction to the team that will be working with you throughout your journey and details their individual roles. You can email any member of the team directly via this section.

3. OPTIONS & CHOICES SELECTION

We are able to offer some choices on certain internal finishes of your new home. This will of course depend on what stage of construction the property has reached at the time of your reservation. We will invite you to view the interior selections available for the internal finishes that you have an option to choose from. Alternatively, the options can be discussed over the telephone and selected via MyHome Plus.

4. CONSTRUCTION PROGRESS

Under this section, regular updates on the construction of your new property will be provided, keeping you up to date on the progress on site and the local area. Your Customer Service Manager will issue regular newsletters and photographs to this section throughout your journey.

FIND YOUR FOREVER

OUR COMMITMENT TO SUSTAINABLE LIVING

The Berkeley Group is a leader in sustainable house building.

Our goal is to be world-class in the area of sustainability, both in terms of running our business efficiently and considerately and by developing sustainable places for people to thrive in. Winners of the Sustainable Housebuilder of the Year 2019, we are committed to being a responsible business which thinks about the long-term. Sustainability to the Berkeley Group, in its simplest terms, is about people, the planet and prosperity. We think about these three aspects during our operational activities and also in terms of the places we create.

SIMPLY A BETTER WAY OF LIVING

The Berkeley Group has won many prestigious awards for the quality, design and sustainability of our developments. We have a strategy designed to raise our standards higher still. The 'Our Vision' strategy means that you are buying a home from a sustainable business that takes its responsibilities towards the environment, its workforce and the communities in which it works, very seriously.

GREENER, MORE ECONOMICAL HOMES

At Leighwood Fields we have incorporated a range of features that make it easy for residents to live a sustainable lifestyle, from energy saving light fittings and energy efficient kitchen appliances to recycling bins and high levels of thermal insulation. These homes are also designed to use less water and their CO2 emissions are lower than an average home, saving you significant amounts on your utility bills and reducing the overall contribution to climate change. PV panels are also used to supply energy.

REDUCING WATER USE

The water consuming fixtures and fittings in the homes at Leighwood Fields are carefully selected to make sure that they use less water than the average household in the UK. Water efficient features in these homes include toilets with dual flush mechanisms.

SUSTAINABLE TRAVEL

Leighwood Fields is in an extremely well-connected location, right near the centre of Cranleigh so there is little need for car use locally. For the regular commuter, Cranleigh offers several ways to reach London. Just over 9 miles away, Guildford Station is a popular choice, with frequent fast services to Waterloo. In terms of public transport, the village is on a good selection of useful bus routes, including Horsham, Godalming, Ewhurst and the Guildford park and ride service, available from four locations.

CREATING SPACE FOR NATURE

At Berkeley we recognise the importance of protecting and enhancing biodiversity and believe that our new developments can create places with more nature afterwards than before through providing higher quality habitats and more biodiversity. At Leighwood Fields, landscaped gardens will be created for residents. This will feature new planting to create a tranquil green environment, with a mix of species to enhance biodiversity.

A COMMITMENT TO THE FUTURE

We set targets to reduce water use and CO2 emissions associated with our construction and business operations. We also aim to reuse or recycle a high proportion of our construction, demolition and excavation waste.

AN AWARD WINNING — APPROACH —

We take pride in every award we win because it spurs us on to continually do better. From landscaping to building, sustainability to customer service, interior design to exterior architecture, we have won awards and accolades.

DESIGNED FOR LIFE

At Berkeley, we are committed to creating great places where people love to live, work and relax. Where the homes are light-filled, adaptable and finished to very high standards. Where carefully planned public areas enhance wellbeing and quality of life for residents and visitors.

Customers Drive All Our Decisions

We achieve that by putting our customers at the heart of everything we do. First, we strive to understand what our customers want and need – well-built homes, in a pleasant and safe neighbourhood, with plenty of amenities and good transport connections. Then we apply that understanding to all our planning and design decisions.

And for every new development, we challenge ourselves to go further, to improve and innovate, ensuring we satisfy the real needs of our customers in inspiring and sustainable ways.

Choice and Diversity

No two Berkeley customers are the same, so we aim to offer a wide choice of property location, size and type. From central London to major towns and cities; from market towns to rural villages, countryside to the coast – we build in locations our customers love. And whatever home you are looking for, whether that's a city penthouse, a modern studio apartment or traditional family home, you will find the perfect fit for your lifestyle.

Quality First to Last

Quality is the defining characteristic of Berkeley developments, right down to the very last detail. We choose our locations, style of homes, construction practices, materials and specifications with great care. When you buy a new home from Berkeley you can be safe in the knowledge that it is built to high standards of design and quality, has low environmental impact and that you will receive a professional, efficient and helpful service from us. For extra peace of mind, all new properties come with a 10-year build warranty.

Green Living

For Berkeley, sustainability isn't simply the latest buzzword. We are committed to creating a better environment within our developments and in the areas that surround them. That's why we build on brownfield sites whenever we can, bringing new life to disused and unloved spaces. We take care to protect the natural environment and enhance biodiversity. All our homes are designed to reduce water and energy consumption, and to enable residents to recycle waste.

Commitment to the Future

When we plan a development, we take a long-term view of how the community we create can thrive in years to come. Our aim is to permanently enhance the neighbourhoods in which they are located, through intelligent design, quality landscaping, sympathetic architecture or restoration, and high standards of sustainability. We don't just build for today; we build for the future too.

Highwood / Horsham

Fairmiles Gate / Cobham

TRANSFORMING TOMORROW

At Berkeley Group our passion and purpose is to build quality homes, strengthen communities and improve people's lives. We are innovating, pushing boundaries and taking action to ensure we have a long-term, positive impact that is good for our customers, the communities we touch, our business and the world around us.

We transform underused sites into exceptional places and we're also transforming the way we work: embracing technology and raising standards, as we continue to deliver an outstanding customer experience and create high-quality homes that delight our customers.

Our Vision 2030 is our ten year plan which sets out how we will achieve this.

TRANSFORMING PLACES

Working with local people and partners we create welcoming and connected neighbourhoods where you can be proud to live.

TRANSFORMING LIFESTYLES

Taking action on climate change and giving you ways to live more sustainably. We're building efficient homes that use less energy over their lifetime, with sustainable travel choices on the doorstep.

TRANSFORMING NATURE

Creating beautiful places with habitats that help nature to thrive, meaning that every site is left with more nature than when we began.

TRANSFORMING FUTURES

Helping people to reach their potential through apprenticeships and training, and programmes supported by the Berkeley Foundation.

LEIGHWOODFIELDS.CO.UK

Leighwood Fields was granted planning permission on 18 February 2017 by Waverley Borough Council. The planning application number is WN/098/1605. Purchasing uncompleted properties situated outside Hong Kong is complicated and contains risk. Applicants should review all relevant information and documents carefully before making a purchase decision. If in doubt, please seek independent professional advice before making a purchase decision.

Maps are not to scale and show approximate locations only. The information in this document is indicative and is intended to act as a guide only as to the finished product. Accordingly, due to Berkeley's policy of continuous improvement, the finished product may vary from the information provided. It may not be possible to provide the exact materials as referred to in the brochure. In such cases a suitable alternative will be provided. Berkeley reserves the right to make these changes as required. These particulars should not be relied upon as statements of fact or representations and applicants must satisfy themselves by inspection or otherwise as to their correctness. This information does not constitute a contract or warranty. The dimensions given on plans are subject to minor variations and are not intended to be used for carpet size, appliance size, or items of furniture. Leighwood Fields is a marketing name and will not necessarily form part of the approved postal address. Applicants are advised to contact Berkeley to ascertain the availability of any particular property. SP94/SPCA/0623
