A new way of living in Ebbsfleet

Ebbsfleet Cross is situated at the heart of one of the UK's most exciting new areas of regeneration. Over the course of the coming years, the Ebbsfleet area will be completely re-imagined to create a brand-new garden city on the banks of the River Thames and Ebbsfleet Cross is perfectly positioned to make the most of it.

Set around a vibrant commercial centre, Ebbsfleet Garden City will comprise 17 million sq ft of residential, business, retail, leisure and community space. Such an abundance of state-of-the-art facilities will act as a magnet for both business and pleasure, creating more than 30,000 new jobs and 15,000 new homes over the next 15 years.

A new lease of life awaits in Ebbsfleet

As the country's most significant new urban regeneration, Ebbsfleet Valley is a place that is as unique as it is exciting.

Transport, schools, new homes and leisure facilities are all being designed to work together as the perfect foundation from which to build a thriving new community.

One of Ebbsfleet's most remarkable features is its exceptional travel connections. There are few places in the country that offer such easy and far-reaching links to not just the rest of the country, but also parts of Europe.

Ebbsfleet International Station is just a short drive away and provides regular high-speed rail services to Stratford in 11 minutes and St. Pancras in 18 minutes. Greenhithe Railway Station is also close by and as well as being the gateway to Kent, trains will take you to London Bridge in around 50 minutes.

The M25 motorway is just 15 minutes away and connects the majority of Britain's most well-travelled routes, while the nearby A2 winds its way south east through Kent all the way to the White Cliffs of Dover.

A little closer to home, Ebbsfleet enjoys world-class amenities right on its doorstep with Bluewater Shopping Centre located five minutes away.

Bluewater has a reputation for being one of the most exciting shopping and leisure destinations in the country and with over 300 stores, 50 bars, restaurants and cafés, plus 13,000 parking spaces it's easy to see why.

There is also plenty of opportunity to keep active, with an abundance of country parks, open countryside, fitness centres, spas and leisure activities all within close proximity.

You'll find a wide choice of schools for children of all ages close by and benefit from the additional new schools being built as part of the extensive Ebbsfleet Garden City regeneration scheme, making Ebbsfleet Cross the perfect choice for growing families.

With an excellent range of amenities at hand, combined with fantastic travel links and a range of local schools, Ebbsfleet Cross is an obvious choice for many buyers.

Customer Care

From the first day you visit one of our sales centres to the day you move in, we aim to provide a level of service and after-sales care that is second to none.

Each home is quality checked by our site managers and sales advisors, after which we invite our customers to a pre-occupation visit. These personalised visits provide a valuable opportunity for homeowners to understand the various running aspects of their new home. On the move-in day our site and sales personnel will be there to ensure that the move-in is achieved as smoothly as possible.

Providing high levels of customer care and building quality homes is our main priority. However, we are aware that errors do sometimes occur and where this happens

it has always been our intention to minimise inconvenience and resolve any outstanding issues at the earliest opportunity.

In managing this process we have after sales support that is specifically tasked to respond to all customer enquiries.

We have a 24 hour emergency helpline and provide a comprehensive information pack that details the working aspects of a new home. A 10 year NHBC warranty provides further peace of mind.

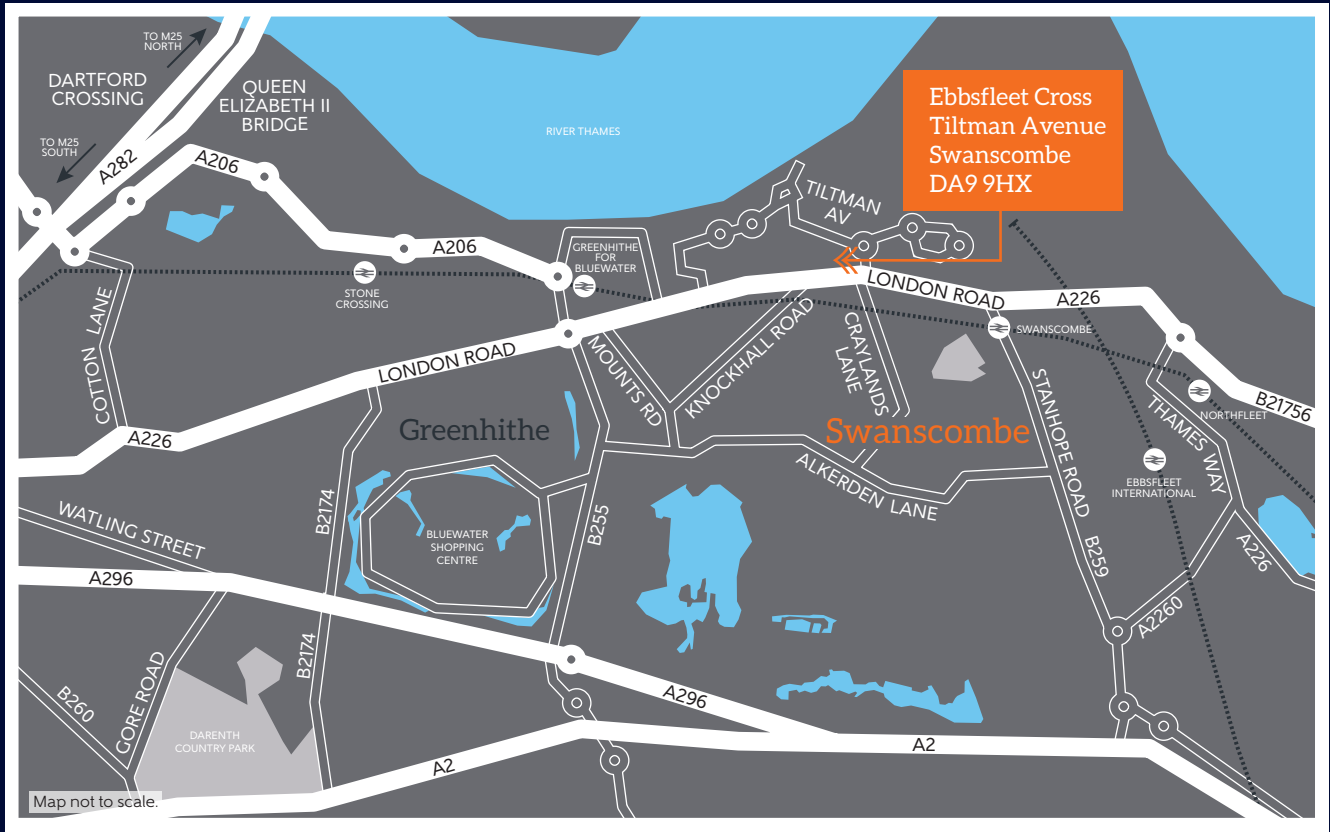

We are confident that our approach to building and selling new homes coupled with our Customer Care programme will provide you with many years of enjoyment in your new home.
