East Street, West Chiltington, West Sussex, RH20 2JY

Tucked away within Granary Orchard, in the older part of West Chiltington, this handsome detached house offers family-friendly accommodation within steps of the village primary school. The shop with the post office counter is just around the corner and there are wonderful country walks straight from the front door.

Offering more than 2100sq ft of space over two floors, the property is well suited to modern family life, with a large open plan lounge/kitchen and a separate dining room which alternatively would make a great playroom or teen den. All the bedrooms are really good sizes and three of them feature built in wardrobes. The principle bedroom has an ensuite shower. Home workers will appreciate the study which sits above what was once the garage and is now a useful store room with a lobby area behind. Used as a home office, it feels like a very private space, separated slightly from the rest of the house and with its own entrance. As a fifth bedroom, it would be perfect for a grown up child wanting their own space but still with internal access to the rest of the house.

The garden wraps around the property, with lawns to the front, side and rear, plus a lovely patio seating area. There is driveway parking for comfortably three vehicles. Children will love that the primary school is really close by and parents will enjoy the very quick and easy, car free school run. The welcoming village offers plenty to keep people occupied, with a couple of great pubs within a few minutes drive, a number of vineyards, including nearby Kinsbrook which has a shop and cafe, plus a large recreation ground, playpark and skatepark and an active village hall.

Granary Cottage, East Street, West Chilmington, RH20

Energy Performance Certificate

The energy efficiency rating is a measure of the overall efficacy of a home. The higher the rating the more energy efficient the home is and the lower the fuel bills will be.

Energy Efficiency Rating		Current	Potential
Very energy efficient - lower running costs			
(92-100) A			
(81-91) B			
(69-80) C		69	77
(55-68) D			
(39-54) E			
(21-38) F			
(1-20) G			
Not energy efficient - higher running costs			
England, Scotland & Wales		EU Directive 2002/91/EC
