This 1930's detached "Dutch Barn Style" family home is full of character and is found in a small cul de sac off the popular Winterhill Way. The property is offered for sale with no chain and has recently been enhanced with replacement double glazed windows throughout. There are two generous receptions rooms to the ground floor as well as a good sized fitted kitchen that over looks an established rear garden that backs west. On the first floor can be found three bedrooms and a bathroom with separate shower and additional cloakroom. There is space and potential to grow this family home much further, subject to planning consents. Outside, the garage to the side is converted to an outside store/room which offers plenty of opportunity for a home office.
