The Certificate of Compliance
for your installation work has
arrived. Please take time to read
the document and the notes
overleaf.

The Registered Installer named below has certified that the installation work detailed is compliant with Regulations 4 & 7 of The Building Regulations 2010 for England and Wales or, where applicable, based on the address of the installation, the Registered Installer has certified the work detailed is compliant with the requirements of Regulations 5 & 7 of the Building Bye-Laws (Jersey).

Building Regulations Certificate of Compliance

Certificate Number
10397063

Date Completed
10/05/2015

Installer Name
SS Electrical Services Ltd
Registered No. 044698000

Address of installation
2, DEVON STREET, BOLTON, BL21AJ.

Description of Location
Non-Dwelling

Description of Notifiable Work
**Electrical
Rewire of all circuits**

This certificate is issued by NICEIC, a trading brand of Capenhurst LLP, an agent for and on behalf of the NICEIC registered installers named above. This certificate is evidence, for your own use only, and does not constitute a warranty. The terms and conditions of the certificate have been agreed with NICEIC and the installer is responsible for the content of this certificate and for the quality of work described, except under the NICEIC Platinum Promise described below.

This certificate is a valuable document. Please retain it in a safe place. If this is not an original certificate or if there is any doubt as to its authenticity, visit www.checkmycertificate.com
