It is a true privilege to bring to market this charming and unique Cottage nestled away upon Cadbury Camp Lane West. This beautiful detached home is offered with two/three bedrooms and an abundance of living space. Arguably, the real attraction comes from the incredible far reaching views across The Mendips.

Orchard Cottage is the property along the lane. Surrounded by woodland, the deceiving approach only enhances the eventual entrance at the front of the property. The extensive gardens wrap around the Cottage providing an impressive length of lawn bound by mature trees and greenery. The situation is so secluded you would be forgiven for thinking you are in a world on your own.

The property enjoys an abundance of features, with fireplaces, exposed stone walls and a traditional wood kitchen including a 'Stanley' range cooker which also feeds the heating and hot water. The internal accommodation begins with an entrance porch leading into the dining hall and subsequently the kitchen/breakfast room. The formal sitting room benefits from plenty of built in storage and has two sets of double doors opening into the garden. From the sitting room you will find a further reception room/optional third bedroom. The ground floor is then concluded with a modern bathroom. The first floor presents two double size bedrooms as well as a spacious landing/study area with further built in storage.

The property goes against your typical cottage ideology - Multiple windows and doors throughout the property means there is a consistent flow of natural light.

Although the location is highly secluded it's still just a short drive to Clevedon or Nailsea where you will find an abundance of amenities for all of your needs.

A charming and unique Cottage enjoying extensive gardens within a secluded location with far reaching views.
