A superb detached home with 4/5 bedrooms, positioned in a secluded spot within Upper Clevedon. Designed over three floors to provide a modern and stylish home ideal for a family. Presented with smart fittings and flexible accommodation, this property offers the perfect blend of comfort and functionality.

As you enter the property, you will be greeted by a bright and welcoming atmosphere throughout. The ground level features an entrance floor with access to a single integral garage with an electric door, a downstairs cloakroom, and the fifth bedroom which could also be used as a home office, playroom, or family room - there is also potential to create a further bathroom as there is already plumbing in place. Moving up to the first floor, you will find a spacious front to back sitting room with a dual aspect, allowing for an abundance of natural light. This room opens onto a generous south-facing balcony, perfect for enjoying the sunshine and taking in the views. Additionally, the first floor offers an L-shaped kitchen/dining room, complete with modern kitchen units and plenty of storage space. The top floor of the property presents four double-sized bedrooms and a stylish bathroom with a separate corner shower.

The landscaped rear garden, accessed from the first floor, is a true outdoor oasis. Thoughtfully designed with a patio area immediate to the house and another at the top of the garden which is connected by a stretch of lawn - this space is perfect for entertaining or simply enjoying time with the family. The garden is also very secluded and has access to the front on either side.

Situated in a private location, the house also overlooks woodland to the front, providing a peaceful and picturesque setting. Despite its quiet location, the property is still within walking distance to the hustle & bustle of Hill Road shops plus Clevedon Secondary School, Clevedon Cricket Club and lovely woodland walks.

An inviting family home found in a secluded spot, offering lots of accommodation and fantastic outside space.
