Taking great prominence along Walton Road is this charming and substantial period home. Positioned within an extensive exterior plot, this detached residence offers tremendous space inside and out.

When approaching the property at the front, there is pedestrian access to a landscaped front garden, entering the house via the storm porch. Whilst at the rear, there is gated parking for several cars and access to the triple garage.

Upon entrance there is a central hallway providing doorways to the dining room with a circular bay window, cosy sitting room and subsequent garden room, finally with entry to the back garden. The kitchen and breakfast room have been connected to create a fabulous entertaining area for socialising and spending time with the kids. In addition, there is a utility come cloakroom as well as further storage space. Upstairs, you will find three double size bedrooms with further space for wardrobes and drawers and the principal bedroom also enjoying a recently refurbished en suite shower room. There is an abundance of storage both upstairs and downstairs.

The gardens are all very well maintained with the added luxury of a woodland backdrop at the rear. The back garden enjoys different spots for gathering around the firepit or outside dining as well as a good stretch of lawn. At the top of the garden is the parking area and triple garage.

This location offers quick access to Clevedon Secondary School or Clevedon Golf Club. It's within walking distance of Clevedon Town Centre but with the M&S filling station closer by for your daily essentials.

A truly beautiful home with an abundance of space both inside and out as well as a triple garage.
