HOW TO BUY THIS PROPERTY

If you would like to purchase this property, we will need the following information before we are able to agree a sale to you.

Proof of identification - we need to run an electronic check for all purchasers of the property. To do this, we need your full name including titles, dates of births and residential address(s) for the last three years. The ID check is at no cost.

Proof of funding - if a mortgage is required, we need to see an up-to-date agreement in principle from the lender involved for the amount of borrowings required together with evidence by way of an official savings statement for the balance of funds. If the purchase is being made up of cash, we will need to see an official statement of the funds required.

Proof of chain - if you are selling your home with another agent, we will need full details of the agent involved and any linked transactions.

The majority of the above is now a legal requirement. We will need to share some of this information with the vendor of the property as well as other professional parties who will be involved or connected with the sale of the property. Having this information will also enable us to present your offer to purchase positively and is likely to enable us to deliver a response speedily. As a part of our comprehensive property services we will introduce other knowledgeable professionals to assist buyers, sellers and other interested parties to enhance their experience of the moving process. We have carefully selected a panel of local professionals who in turn have agreed preferential terms for our clients.

Please note we may give a quotation for sellers and buyers for the companies listed below and should you decide to use one of these companies as a result of our introduction we will receive a referral fee. Any quotation is offered without obligation and it is your decision whether you choose to deal with any of these companies.
