Welcome to Springfield, an extraordinary home that combines character, space, and versatility, set within a picturesque half-acre plot with uninterrupted south-facing views across the Tickenham Moors and the Mendip Hills beyond. Originally built in the mid-1930s, Springfield has been thoughtfully and significantly extended over the years, now offering an impressive 2,600 sq ft of living space across two floors, complemented by nearly 1,100 sq ft of versatile outbuildings. This property presents a rare opportunity for serene countryside living in a highly desirable location.

The current layout features four generously sized double bedrooms, including a luxurious main suite with an en-suite bathroom and dressing room. While currently arranged as a four-bedroom home, the property has the flexibility to be reconfigured to accommodate six or more bedrooms, making it ideal for growing families or multi-generational living. Multiple reception spaces include a library/cinema room, a formal dining room, and a home office. One of the reception rooms conveniently adjoins the contemporary ground-floor wet room, offering excellent futureproofing for single-level living, should it be needed. This flexible design allows the home to adapt effortlessly to your needs.

At the heart of Springfield is a beautifully designed kitchen and dining area, perfectly suited for entertaining and family gatherings. The kitchen features a central island, breakfast bar, high-quality appliances, and clever lighting. Double doors from the dining area lead onto the south-facing terrace, creating the ideal space for al fresco dining while enjoying the stunning views.

The property also benefits from three modern bathrooms, all equipped with power showers, further enhancing the blend of traditional charm and modern convenience. The south-facing orientation ensures an abundance of natural light throughout the home, creating a bright, welcoming, and comfortable living environment.

The landscaped gardens offer a peaceful retreat, featuring an octagonal summerhouse and a variety of outbuildings, including a double garage with a caravan port, a large single garage/workshop, and a garden room/workshop. The expansive driveway provides ample parking for multiple vehicles and further adds to the home's practicality.

Lovingly maintained and updated by its current owner of 38 years, Springfield has been a cherished family home. It offers an exceptional opportunity for a new owner to create lasting memories in a truly one-of-a-kind property.
