Enjoying a spectacular position along one of Clevedon's most iconic roads, 8b The Beach is a beautifully situated first floor apartment with the rare benefit of a private balcony and attic room — both offering sweeping views across the Bristol Channel, Clevedon's historic pier, and the distant Welsh hills beyond.

Part of a handsome Grade II listed Georgian property, this elegant apartment combines period architecture with scope for modernisation, offering buyers the chance to create a bespoke coastal home in one of the town's most desirable locations.

Accessed via a private side entrance, a useful cupboard provides storage by the front door — ideal for sports equipment. The first floor apartment unfolds around a welcoming landing/hallway which opens to a delightful dining area. All of the forward-facing rooms boast spectacular panoramic views across the beach, pier, and estuary. In addition, the accommodation includes two spacious double bedrooms, a bay-fronted living room, a separate kitchen, and a bathroom. There is also an additional utility/cloakroom. Completing the property is the attic room, again with superb views. Sash windows, decorative plasterwork, and panelled doors lend a refined sense of character throughout the space.

One of the standout features is the top-floor attic room — an incredibly versatile space currently used for storage or occasional use, but with excellent potential as a study, studio, or relaxation area with outstanding panoramic vistas.

Externally, the apartment enjoys a private front-facing balcony, perfect for morning coffee or evening sunsets. Additional benefits include an allocated parking space and access to a shared garden shed.

Offered with no onward chain and just a short stroll from Clevedon's vibrant seafront cafés, restaurants, and the famous pier, this is a rare opportunity to secure a unique and characterful home in a truly special setting.
