Set in a prime Clevedon location, this charming 1930s detached home sits within a superb overall plot, just a short walk from Ladye Bay, Clevedon Golf Club and Hill Road with its shops, bars and restaurants. Within easy reach of Clevedon Secondary School and primary schools, this is an ideal family home.

The property boasts lovely appeal with a classic frontage and a driveway to the side leading to a tandem-length garage with an adjoining workshop. There's also potential to extend the home at the rear or over the garage, subject to planning permission, offering flexibility for future growth.

Step inside to a bright and inviting hallway that immediately sets the tone, with plenty of built-in storage and a convenient downstairs cloakroom with toilet. The ground floor accommodation is both spacious and versatile, featuring a front-facing dining/reception room with bay window, a generous living room with doors opening directly onto the rear garden, and a well-appointed kitchen/breakfast room with abundant storage, views down the garden, and access to a separate utility room.

Upstairs, a central landing leads to four well-proportioned bedrooms and a family bathroom. The main and third bedrooms benefit from built-in wardrobes, adding to the home's already impressive storage.

The real highlight lies to the rear, where the fantastic private garden unfolds. A raised patio provides the perfect spot for outdoor dining, overlooking an extensive lawn framed by mature trees, hedges, and flowering shrubs. Despite its size, the garden remains relatively easy to maintain due to its established borders, and comes complete with a greenhouse, shed, and summerhouse—ideal for relaxing, hobbies, or entertaining.

Combining classic 1930s character with practical family living and huge potential, this home offers a rare opportunity in one of Clevedon's most sought-after settings.

Charming 1930s detached home with spacious living, stunning garden, garage, and huge potential, set in a prime Clevedon location.
