These property particulars are believed to be a fair description of the property, but are provided as a guide only and are not intended to form part of a contract. All measurements and dimensions are approximate. Any reference to service installations or appliances is intended to be descriptive only and no tests have been carried out by us.

LOCATION

The busy and well-established Chunnel Industrial Estate is accessed via the Victoria Link Road which connects the A28 to Junction 9 of the M20 and the A2042/A2070 southern orbital road to Junction 10. Both junctions are within approximately 2 miles and the International Passenger Station and Ashford town centre are both within easy walking distance.

Ashford, one of Kent's designated growth centres, currently has a population of approximately 75,000 inhabitants and is set to grow substantially in the next 20 years. The town is centrally located within the county, benefitting from a fine communications network via the A20/M20 and five mainline railways. Ashford International Passenger station gives direct access to northern continental Europe via Eurostar and London is some 38 minutes distant via HS-1.

DESCRIPTION

The premises form part of a total of 10 units built as a 5 x 2 back-to-back terrace, with Unit 3 being the middle unit on the northern side fronting on to Victoria Road; Unit 4 being immediately to the left and Unit 5 being the end unit to the left of Unit 4. The units are of steel portal frame construction with brick walls to lower elevations and profiled steel cladding to upper elevations and roofs. Each unit benefits from a steel roller-shutter door, a separate personnel door and WC facilities and there is designated parking to the front. Unit 4 also benefits from a small mezzanine office.
