These property particulars are believed to be a fair description of the property, but are provided as a guide only and are not intended to form part of a contract. All measurements and dimensions are approximate. Any reference to service installations or appliances is intended to be descriptive only and no tests have been carried out by us.

LOCATION

This centrally located High Street property backs onto the churchyard and faces major High Street traders such as Boots, Iceland and Barclays Bank.

Ashford, one of Kent's designated growth centres, currently has a population of approximately 75,000 inhabitants and is set to grow substantially in the next 20 years. The town is centrally located within the county, benefitting from a fine communications network via the A20/M20 and five mainline railways. Ashford International Passenger station can give direct access to northern continental Europe via Eurostar and London is some 38 minutes distant via HS-1.

DESCRIPTION

This mid-terraced building is of timber frame construction and is several hundred years old, being Grade II listed and in the town centre Conservation Area. It provides accommodation on the basement, ground, first and second floors. The ground floor provides a sales counter and food preparation with rear dining area accessed from the churchyard if required. The first floor provides further storage accommodation and WC facilities. The first and second floors could be used as living accommodation in conjunction with the retail space if required, subject to all necessary consents being obtained. There is potential here to re-develop and a planning application 22/00037/AS is pending determination.

ACCOMMODATION**Basement**

Rough Storage
