ASSISTED MOVE

Assisted Move

Moving into your new home should be an exciting experience, not a stressful one. At Miller Homes, we believe everyone deserves the opportunity to make a smooth and straightforward transition into their dream Miller home. With our Assisted Move Scheme*, not only does it significantly reduce the hassle and expense of selling your old property, but also streamlines the process of moving into your dream home.

What is Assisted Move?

The Assisted Move Scheme* is designed to make your house moving experience as effortless as possible by assisting with the sale of your existing home. As part of this scheme, we shoulder a significant portion of the burdens and costs traditionally associated with selling a property.

These include conducting a free 'open market' valuation on your current property, providing expert assistance to get your home sold quickly and efficiently, and covering advertising costs and estate agents fees. The Assisted Move scheme aims to help you transition seamlessly into your new Miller home by facilitating the sale of your old property in a cost-effective and hassle-free manner.
