

6 Thomas Bates Road | Kenilworth | CV8 2BT

A super opportunity to purchase this recently built Charles Church home in the Alcester design, this property is one of only three built on this new, small development located within easy reach of the town centre. The seller has also had many upgrades from the initial specification. The Alcester design is very sought after as there are three very generous double bedrooms, the master has an en-suite whilst on the ground floor is the lounge with triple aspects, a study and a large kitchen/diner leading to the rear garden. Parking is a bonus too as there is a detached garage and your driveway both to the side of the property. A lovely home and nice position which must be viewed.
