Offers In The Region Of £600,000

AN IMPRESSIVE PERIOD PROPERTY

Newlands built in 1927 is an imposing semi-detached house situated in a prime location in Hopwood. This property spans a stunning 1959 square feet and is a fantastic example of a period home being able to retain its original characteristics whilst embracing modern family living.

Two generous sized reception rooms are accessed from the welcoming hallway, which further leads to the large open plan kitchen/diner/family room. This space has previously been extended to create a bright and modern atmosphere with bi-fold doors that open the whole area up to the outside patio and garden. The lovely large, bespoke fitted kitchen is a perfect addition to this impressive room.

The house has four well-proportioned bedrooms, 2 with fitted bedroom furniture and a stylish bathroom that has under floor heating. The attention to detail is evident throughout, with modern fixtures and fittings complementing the beautiful original features.

The property has generous off-road parking with a large driveway and garden at the front of the house. At the rear of the property is a beautifully established large garden with plenty of space for outdoor entertaining and family enjoyment.

The cellar space has ample storage providing further versatility to the home and the large plot does open up the possibility for further development.
