Quality of life is about the details of everyday living. From the little things, like knowing the nearest place to pick up a pint of milk, to more important matters like finding the right school or having a health centre nearby, you need to know that the community you're moving to will support you and your family, as well as being a pleasant place to live. So here's some useful information about the area around Hawkhead.

One and a half miles from Paisley's historic town centre, Hawkhead is exceptionally well placed for travel throughout Scotland. Trains from Hawkhead Station, 500 yards from the development, make the 17 minute trip into Glasgow Central every half hour, and the line between Glasgow Central and Stranraer passes through Gilmour Street station in the town centre. Glasgow Airport, ten minutes drive away, is served by buses from the town centre, and other local buses pass adjacent to the development. The M8, around two miles away, and the M77 bring the central belt and the motorway network into easy reach.

Celebrated for its Abbey, Paisley is also renowned for a superb neo-classical museum and art gallery incorporating Scotland's oldest public observatory, its imposing Victorian town hall and its exciting Arts Centre with a lively programme of drama, dance, comedy and music.

A selection of local shops around 15 minutes' walk from Hawkhead includes a Tesco Superstore, a newsagent, a convenience store and a pharmacy. Engagingly mixing old and new, Paisley town centre intersperses historic buildings and parks with traditional streets offering a wide choice of local shops, supermarkets, high street names, bars, cafés, restaurants and clubs. Indoor malls include the Piazza and the Paisley Shopping Centre. Hawkhead is less than four miles from Silverburn, where there are more than 100 shops and restaurants, and Braehead where the vast choice of retailers is complemented by superb leisure amenities including a 12-screen cinema, a ski centre, bowling and the Braehead Arena. A second multi-screen cinema can be found at the Phoenix Retail Park on the western edge of the town.

Bounded to the south-west by the White Cart Water, this prestigious selection of modern, energy efficient two, three, four and five bedroom homes is less than a mile and a half from Paisley's vibrant town centre. Just a few minutes walk from Hawkhead Railway Station, it presents a peaceful retreat with outstandingly easy access to the amenities of Glasgow and excellent transport links with the whole of the central belt. Welcome to Hawkhead...

# The Miller Difference

“Buying a property is one of the most important decisions in life and I am delighted that Miller Homes made it an easy one for me.”

Chris Mackenzie  
Miller Home Owner

“We are so impressed with the exceptional customer service and quality of our home that we’ve recommended Miller Homes to a friend.”

Helen Moscrop  
Miller Home Owner

## The Miller Difference

We’re enormously proud of the homes we’ve been building for the last 80 years, and throughout that time we’ve been listening to our customers and learning from them. From insisting on the best workmanship and the highest quality materials right through to recognising our responsibilities to the environment.

During this time we’ve seen many generations of families enjoy our homes and developments, and we’ve seen the happy, thriving communities they’ve become.

### Trust

For us, the most important people are the customers who choose our homes in which to build their future. Their satisfaction and confidence in us, from our very first meeting onwards, is a key measure of our success.

We’re proud of the independent surveys that consistently show our high levels of customer satisfaction. That’s the real barometer of our quality and our service.

## Helping where we can

We invest everything into your customer journey – it’s designed not just to please you, but to exceed your expectations.

When you become a Miller customer, we’ll listen to you right from the start. From the day you first look around a showhome until long after you’ve moved in, we’re here to offer help and support. We’ve been doing this a long time so we have a vast amount of experience to draw on.

We don’t want you to just be satisfied, we want you to be proud of your new home and delighted by the whole experience. We want you to recommend us, too.

### Pushing up standards

We frequently win awards for the quality of our homes. For their generous specification, skilful construction, beautiful locations, and for the teams that build them. We are acknowledged experts in the field. You can see the quality of our product and you will notice the quality of our service as we guide you through the many different ways of buying your home. It’s a customer journey that has taken 80 years to perfect.

We know the importance of workmanship and job satisfaction. We look after our teams, we train and employ the best people and we reward safe and careful practice.

## Keeping you involved

First you’ll meet your Development Sales Manager who will give you any help you need in choosing and buying your home. Then your site manager, who will supervise the build of your home and answer your questions along the way.

We’ll invite you to a pre-plaster meeting with your site manager during the construction of your new home, where you’ll get to see, first hand, the attention to detail, care and craftsmanship involved.

Wherever practical, we ask you to choose your own kitchen and bathroom including your own tiles, worktops, appliances and other options. Your home becomes personal to you long before we’ve finished building it.

### A Better Place

We don’t just create more homes, we enhance locations with our developments. Places where people will make friends, enjoy family life and take pride in their neighbourhoods and surroundings. We even provide a unique [www.mymillerhome.com](http://www.mymillerhome.com) website to keep you up to date on the build progress of your home and to help you get to know the area, your neighbours and live more sustainably once you’ve moved in.

### For your future

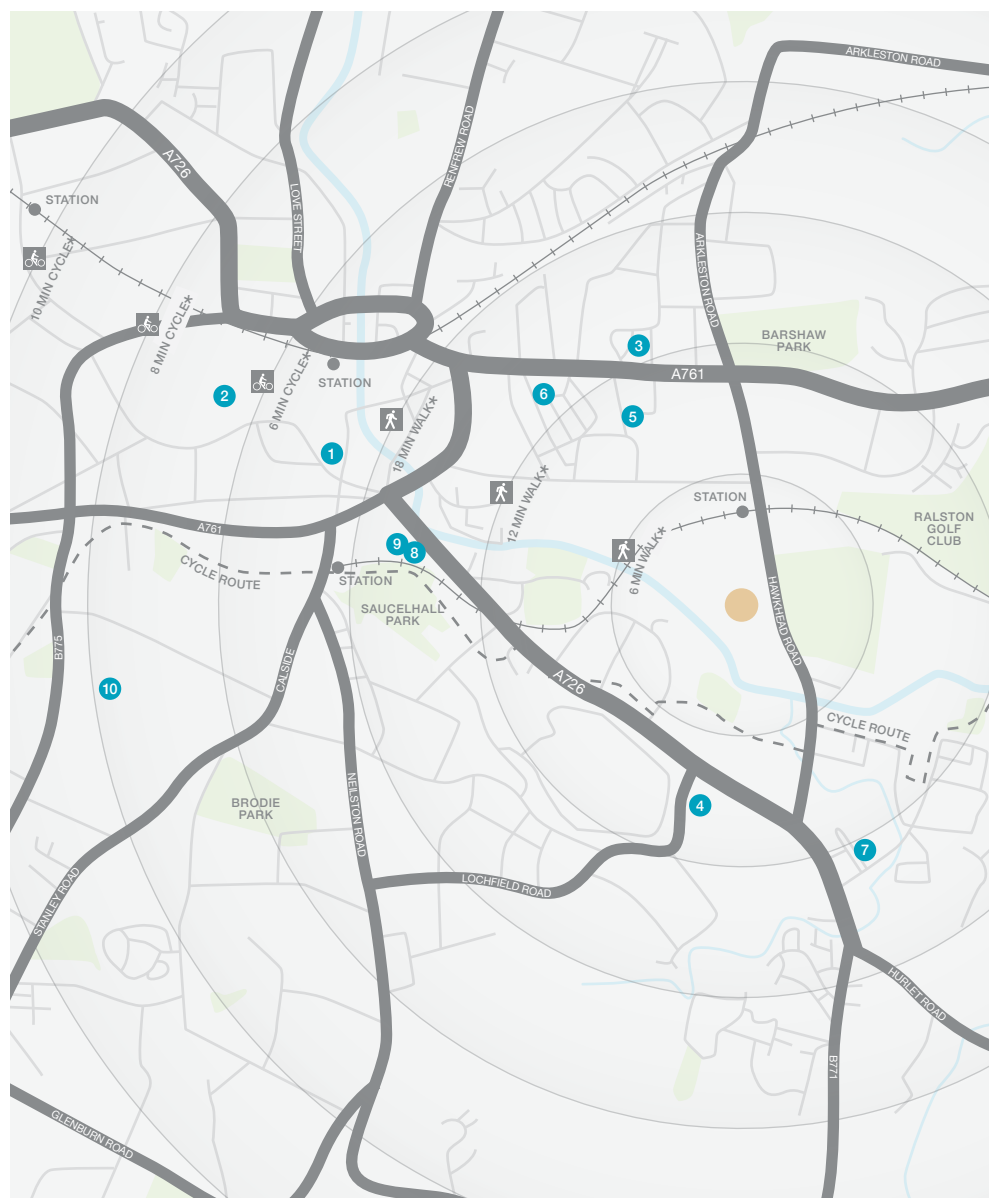

For us, success is building exceptional homes, in sustainable communities. And that’s how we’ve built a business that goes from strength to strength.

In addition to easy access to the cultural attractions and cosmopolitan nightlife of Glasgow, Hawkhead is ideally situated for enjoying the region's most popular outdoor attractions. The vast variety of woodland, meadows, reservoirs, wildlife and play parks at Gleniffer Braes, Dams to Darnley and Pollok Country Parks are all within three and a half miles. Golf courses include the nearby Ralston club and the Paisley and Fereneze Golf Clubs, three miles away. Nearby schools include Todholm Primary and St John Ogilvie RC Primary, both within a mile, and the secondaries Paisley Grammar School and St Andrews Academy. Of the many nearby medical facilities, both the Abbey Medical Centre and the Anchor Mill Medical Practice are within walking distance, and the Royal Alexandra Hospital, just over two miles away, has a 24-hour A&E department.

When you leave the car at home and explore the local area by foot or bicycle, you get to know it so much better. And by using local shops and services, you'll help to keep the neighbourhood vibrant and prosperous. Every place has its own personality, and once you move in you'll soon find your favourite walks, and the shops you like best. As a starting point this map shows some of the most useful features and services within a short stroll or bike ride.

## Why Miller Homes?

We've been building homes since 1934, that's three generations of experience. We've learned a lot about people and that's made a big difference to what we do and how we do it.

We're enormously proud of the homes we build, combining traditional craftsmanship with new ideas like low carbon technologies. The big difference is that we don't stop caring once we've finished the building, or when we've sold the house, or even once you've moved in. We're there when you need us, until you're settled, satisfied and inviting your friends round.

This brochure is printed on GalerArt and contains material sourced from responsibly managed forests. It's certified by the Forest Stewardship Council, an organisation dedicated to promoting responsible forest management and manufacture of wood products, like paper. It's a small thing, we know, but enough small things make a big difference. Please recycle this brochure and help make that difference.
