Spanning three floors, The Marine is an exquisite townhouse with three beautifully appointed double bedrooms and an additional room on the ground floor which could be used as a bedroom, home gym or office. Inside, the feel is contemporary, yet homely, using soft wood finishes and a warm neutral palette in each uniquely styled room bringing calm and cohesion throughout.

The ground floor opens to an inviting hallway with understairs storage, access to the integral garage and a flexible room to the rear which could serve as a cinema room, gym, office or bedroom - with access to a large cupboard and WC.

On the first floor you have a stylish sitting room, WC and, at the back, an open-plan kitchen/dining area which leads out to a lawned garden.

On the top floor, three bedrooms are beautiful doubles with soft carpet underfoot and leafy views. Smart technologies continue on this floor with the Control4 Smart Home system controlling Lutron lighting, window blind systems, audio, heating, and video doorbell via a room keypad – or from the comfort of your bed. The en suite to the principal bedroom features luxurious finishes which will stand the test of time.

The Marine residences boast the unparalleled specifications and construction quality consistent with the entire Skylarks development. Features such as underfloor heating, German-engineered kitchens, Miele appliances, and Control4 and Lutron smart home systems are just the beginning of what these homes have to offer.
