BLOOR HOMES

1969

THE YEAR WE
STARTED MAKING
DREAM HOMES A REALITY

At Evesham Gate, we are not only able to offer you a stunning location, we are also dedicated to building quality new homes that stand the test of time.

Visit one of our developments built 10 years ago and see how the community has developed along with the landscaping and house type designs. As one of the leading privately-owned house builders in the country, our success is based on strong traditions of quality, value for money and a genuine desire to build homes that give our customers years of pleasure.

The company is still owned by John Bloor who is actively involved within the day to day running of the business to ensure the high quality we pride ourselves on is achieved on all our homes.

Our approach to the design of every new location we produce goes far beyond the provision of superior homes for today's varied lifestyle. We make every effort to conserve the natural balance of each location including the conservation of wildlife and the preservation of natural features.

Care and consideration is also taken to ensure that the environmental impact of every new home we build is kept to a minimum.

Whichever home you choose, you will find that our homes with their high specification, provide not only maximum comfort, but greater freedom of movement.

Plus, reserve a Bloor home in the early stages of construction and you will have the freedom of choice to select from our range of finishes for your kitchen, bathroom and en suite facilities.

Once reserved, you will be able to take advantage of "Your Choice" which allows you to choose additional fixtures and fittings to personalise your new Bloor home, or upgrade to a higher specification from the standard range used on this development at an extra cost.

We are proud to be building at Evesham Gate, Evesham, bringing quality homes and developing communities.

Or perhaps you'd like to take a journey alongside the winding River Severn? The riverside town of Tewkesbury and buzzing city of Worcester both offer great days out. More high street stores are in abundance in Worcester with the recently renovated centre boasting even more eateries and bars than ever before. Or a quieter day can be spent in Tewkesbury with wholesome historical pubs and a chance for a leisurely boat ride.

Despite Evesham's picturesque riverside appearance, this town is far from being a sleepy hollow. With a wonderful array of traditional pubs, quirky restaurants and numerous leisure outlets, you'll be sure to have a plan for every weekend even just by simply staying close to home.

We're delighted to be building again in this wonderful Worcestershire location. Sitting on the southern edge of Evesham, our brand new style of homes offer beautiful traditionally inspired architecture with stylish contemporary interiors, reflecting the historical yet exciting bustling nature of this location.

WE'RE HERE,
LONG AFTER
WE HAND
OVER THE KEYS

Choosing to buy a new Bloor home eliminates many of your worries. With no repairs or renovations to do, you will be able to enjoy spending more quality time with your friends and family.

We hope you will never need it, but that doesn't mean we don't understand the peace of mind that comes with having an insurance backed 10 year warranty from the NHBC.

As well as our own rigorous checks carried out during the build process, the warranty provider will also carry out their own inspections on your new home, ensuring that it's built to the high quality we pride ourselves on.

Most of us don't regularly buy a new home, so it's no wonder it can seem a little confusing at times. But it's not as scary as you might think, we'll hold your hand through the entire buying process. After all, we've been doing this for fifty years so rest assured, you're in good hands.

We'll work hard to make sure you know exactly what to do and when to do it. That way, you'll have all the information you need to hand. Simply follow our step by step guide and know that we'll be here to answer all your questions. The first step to making your move, is deciding if new is right for you.

And what's more, we'll keep on looking after you and your home long after you've moved in.
