An attractive detached Victorian house with surrounding gardens and a separate stone outbuilding with potential for use as further accommodation, situated in a quiet cul-de-sac in the popular village of Cheddar, with all amenities close at hand. Planning permission has been granted for a separate new two bedroom house in the grounds (see below for details).

The well-presented accommodation comprises on the ground floor; reception hallway, kitchen/family room, sitting room which is open plan to the dining room, study/ bedroom 6, WC, utility room and boot room/lobby area, whilst upstairs are 5 double bedrooms; two with en suite facilities, and family bathroom. The owners have lovingly restored and updated the property with attention to detail including a newly fitted contemporary kitchen whilst retaining many old features such as the ceiling cornices and roses, flagstone flooring and beautiful marble fireplaces in the main reception rooms. The typical high ceilings and big sash windows of the period combine with the décor in soft neutral shades, creating a bright, warm and stylish family home. There are pleasant views from all aspects and from the back of the house the windows overlook the school field and allotments.
