A charming Grade II Listed farmhouse, extended and improved over the years to form a spacious and comfortable family home. Parsonage Farm has a wealth of retained period features such as flagstone floors, inglenook fireplaces, beamed ceilings, stone mullion windows and wide oak floorboards, which combine with modern conveniences such as recently installed bath and shower rooms and an ecofriendly biomass boiler. Set in just over 2 acres of land, with several outbuildings including a long barn, the property, we believe, would be suitable for a smallholding.

Energy Efficiency Rating: G
