2, Shalford Road

Guildford, GU4 8AA

In a very convenient location opposite Shalford Park and only 0.6 mile level walk to the High Street and 0.75 mile to the station - a detached family house built in 1974, and on the market for the first time since, with four bedrooms, two bathrooms and three reception rooms, set within a 0.3 acre garden

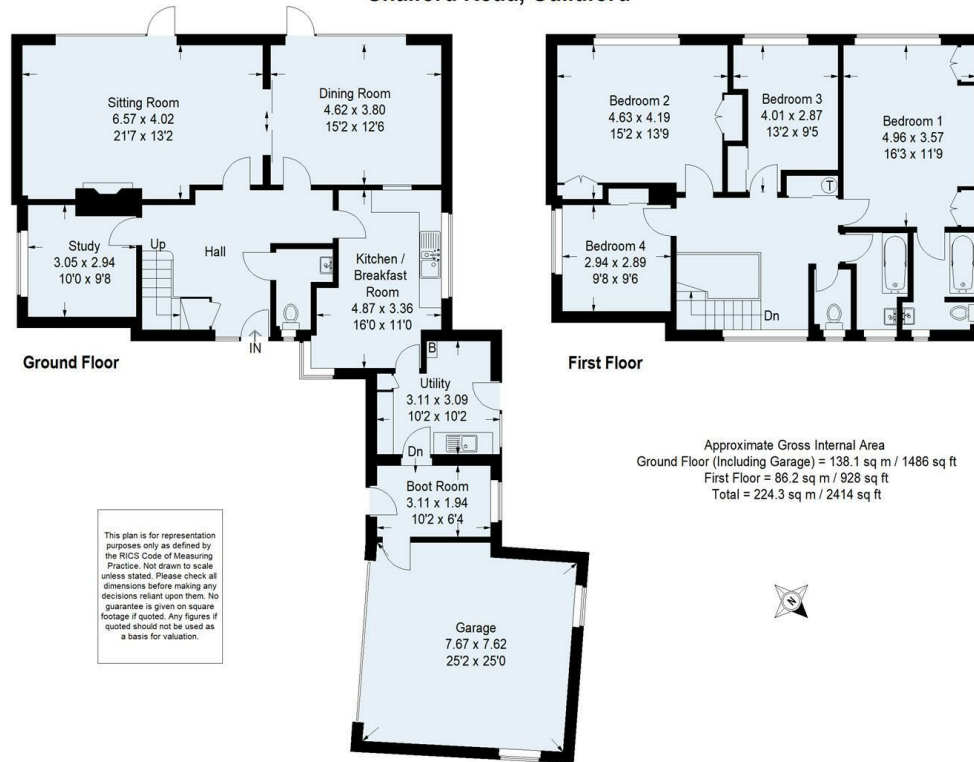

PROPERTY SUMMARY

A detached tile hung family house which was built in 1974 and has been in the same ownership ever since. The light and airy accommodation has been very well maintained over the years and benefits from large picture windows overlooking the gardens, and Shalford Park from the first floor. Certain modernisation works would now be expected, including new bathrooms, kitchen and utility room, but all the rooms are very well proportioned. The location is extremely convenient for the High Street, with its excellent shops, restaurants and bars, and also for the main line station with its regular commuter service to Waterloo. There are many schools within walking distance, including the Royal Grammar School in the High Street, and Pewley Down and St Nicolas Infant Schools. There are lovely walks on the doorstep, through Shalford Park and on to the River Wey tow path, and also nearby Chantry Woods.
