Town and Country Planning Act 1990 (as amended)

PLANNING PERMISSION GRANTED

APPLICATION REFERENCE: 24/00837/FUL

Name and address for correspondence:

Applicant name:

Part I - Particulars of Application

Date of Application: 22 August 2024

Proposal: Erection of 1 No. two storey dwelling comprising of 1 No. two bedroom and 1 No. one bedroom self-contained apartments -(Resubmission of 23/00985/FUL)
Location: Land Adjacent To The Gable Of The End Terrace (no 34 Queen Street)

Part II - Particulars of decision

The Rochdale Borough Council hereby give notice in pursuance of the provisions of the Town and Country Planning Act 1990 (as amended) that planning permission has been **GRANTED** **SUBJECT TO CONDITIONS** for the carrying out of the development referred to in Part I above.

The Council hereby permits the above development in accordance with the details given on the application form and subject to the following condition(s):

Conditions and Reasons:

- 1 The development must be begun not later than three years beginning with the date of this permission.
Reason: Required to be imposed by Section 91 of the Town and Country Planning Act 1990 (as amended).
- 2 This permission relates to the following plans and document:
 - Proposed 2.No self contained apartments on vacant land Previously no 30 and 32 Queen Street DWG 1 of 5 Rev F (Site Location Plan, existing and proposed Block Plan)
 - Proposed 2.No self contained apartments on vacant land Previously no 30 and 32 Queen Street DWG 1 of 5 Rev F (Proposed floor plans and sections)

- Proposed 2.No self contained apartments on vacant land Previously no 30 and 32 Queen Street DWG 2 of 5 Rev G (Existing and Proposed Elevations)
- Proposed 2.No self contained apartments on vacant land Previously no 30 and 32 Queen Street DWG 4 of 5 Rev G (Proposed side and rear elevations)
- Proposed 2.No self contained apartments on vacant land Previously no 30 and 32 Queen Street DWG 5 of 5 Rev C (Proposed front, rear and side elevations)
- Planning Statement

and the development shall be carried out in complete accordance with these drawings hereby approved unless otherwise required by the conditions below.

Reason: For the avoidance of doubt and to ensure a satisfactory standard of development in accordance with the policies contained within the adopted Rochdale Core Strategy, the saved Rochdale Unitary Development Plan and the National Planning Policy Framework.

- 3 No part of the development shall be occupied until details of the bin store have been submitted to and approved by the Local Planning Authority and the approved structures have been erected in accordance with the approved details. The structure should be made available for use before the first occupation of the dwellings. The structures shall thereafter be retained.

Reason: To ensure the provision of satisfactory facilities for the storage of refuse and in the interests of visual amenity and accord with the requirements of Policies DM1 and P3 of the adopted Core Strategy and the National Planning Policy Framework.

- 4 No development shall take place until such time as a scheme for the disposal of foul and surface waters from the site has been submitted to and approved in writing by the Local Planning Authority. For the avoidance of doubt, surface water must drain separately from foul water. The surface water drainage scheme should be based on the hierarchy of drainage options in the National Planning Practice Guidance with evidence of an assessment of the site conditions, and include details of how the scheme shall be managed after completion. The development shall be completed, maintained and managed in accordance with the approved details.

Reason: To prevent an increased risk of flooding as a result of the development and to ensure satisfactory disposal of surface and foul water from the site in accordance with the requirements of Policy G8 of the adopted Rochdale Core Strategy and the National Planning Policy Framework.

Reason for pre-commencement condition: As the proposals require ground works, these details are required prior to commencement of any building or engineering works on site.

Procedure Statement:

The proposal complies with the development plan and would improve the economic, social and environmental conditions of the area. It therefore comprises sustainable development and the Local Planning Authority worked proactively to issue the decision without delay.

Date Decision Issued 31 October 2024

IMPORTANT

PLEASE ENSURE THAT YOU HAVE READ AND FULLY UNDERSTOOD THE CONTENTS OF THIS DECISION NOTICE. YOUR ATTENTION IS DRAWN TO THE ATTACHED NOTES.

INFORMATIVE:
The Local Planning Authority's reasons for its decision are set out in the accompanying officer's report.

INFORMATIVE:
It is the developer's responsibility to ensure that the stopping up of the highway at the junction of Queen Street / Holland Street is complete.

INFORMATIVE:
The applicant is reminded of the need to submit and obtain formal approval of those details required by the conditions of this planning permission before development may lawfully commence on the site. The formal discharge of a planning condition is currently subject to payment of an additional fee per request: £34.00 for householder applications and £116.00 in all other cases.

INFORMATIVE:
The proposed development lies within an area that has been defined by The Coal Authority as containing potential hazards arising from coal mining. These hazards can include: mine entries (shafts and adits); shallow coal workings; geological fissures; mine gas and previous surface mining sites. Although such hazards are often not readily visible, they can often be present and problems can occur as a result of development taking place, or can occur at some time in the future.

It is recommended that information outlining how the former mining activities affect the proposed development, along with any mitigation measures required, be submitted alongside any subsequent application for Building Regulations approval.

Any intrusive activities which disturb or enter any coal seams, coal mine workings or coal mine entries (shafts and adits) requires the prior written permission of The Coal Authority. Such activities could include site investigation boreholes, digging of foundations, piling activities, other ground works and any subsequent treatment of coal mine workings and coal mine entries for ground stability purposes. Failure to obtain Coal Authority permission for such activities is trespass, with the potential for court action.

Property specific summary information on coal mining can be obtained from The Coal Authority's Property Search Service on 0845 762 6848 or at www.groundstability.com.

INFORMATIVE:
The applicant is advised that the supply and delivery of refuse containers (including all wheelie bins and food waste caddies) for residential developments is chargeable and the responsibility for these charges rests with the applicant/developer. The cost is based on a variable rate per property depending on the property size and number of bedrooms but as an indication, the present charge for a suite of three 240l recycling bins and one 240l refuse bin is £144 per residence. Please contact environmental.management@rochdale.gov.uk for a quotation for your development.
