In recent years the property has been the subject of a thorough and careful programme of restoration and improvement carried out by a well thought of local developer. More recently the property has been fully redecorated throughout. Internally the accommodation is spacious and well presented with a well appointed kitchen with feature Belfast sink with a polished granite worksurface and plenty of above and below counter storage.

French doors lead out to low maintenance private rear garden laid mainly to paving slabs leading to a delightful recently built home office.

Situation

Endless Street is situated within the historical city centre. It sits at the edge of Salisbury's medieval chequer system and as such is a very short walk from all of the city's excellent range of facilities - shopping, leisure, educational and cultural as well as the well thought of Playhouse theatre and the market square which hosts a twice weekly charter market. Salisbury train station is under 3/4 mile across town with trains direct to London Waterloo. Journey time approximately 90 minutes. The magnificent Cathedral Close is under half a miles walk through the city centre. On street permit holder parking is available right outside the property.
