## GENERAL INFORMATION

### THE PROPERTY

Superbly situated and with NO UPWARD CHAIN is this substantial family residence set in an elevated position between Ashby Road and Tower Road. The property sits within beautiful mature gardens, with a long driveway approach leading to the parking area. The residence has a superb contemporary feel with some very nice Scandinavian-style touches. The gas central heated accommodation has double painted timber doors giving access into the lobby with a further door opening into a good-sized study and hallway with a useful boot cupboard and parquet flooring. From the hallway, stairs rise to the first floor and there is a guest cloak room with w.c. and hand wash basin set within a vanity unit. From the hallway a door leads through into a large lounge, offering ample space for family gatherings. The parquet flooring continues through and there are two lovely focal points, the log-burning stove and the three windows one of which is a deep bay offering views over the stunning grounds. A glazed door from the lounge opens out onto an undercover terrace ideal for entertaining and a further door leads through into the formal dining room.

The spacious dining room offers French doors opening out onto the large rear patio area and a walk-in butler's pantry, ideal for storing crockery and glass ware.

The breakfast kitchen is fitted with a range of modern units with work tops over that extend to create a peninsular breakfast bar area. The worktops also incorporate a one and a quarter sink and gas hob. The modern fitted units include base cupboards, larder cupboards, glazed display cupboards and wall mounted cabinets. Windows look out to the front aspect and a door leads out into the rear hallway. From here there is a rear door out to the drive, a storage cupboard with shelving and a timber door down to the cellar. The cellar is also the power room where the boiler, emersion heater and photovoltaic control panels are sited. There is space and plumbing for a washing machine, further space for white goods and a walk in pantry with shelving.

On the first floor, the landing features a large window out to the front aspect offering views and doors off to all bedrooms. The principal bedroom is a great size with a full-height sloped roof, Velux skylights and windows that look out over the rear garden. The en-suite is equipped with a bath with shower over, w.c and wash hand basin.

There is also a Velux skylight. On this floor are two further excellent-sized double bedrooms both offering lovely light accommodation with views over different angles of the gardens. On the first floor is also a fourth occasional bedroom, or reading room, or just a quiet space with French doors that open out onto a balcony with space for a bistro table with chairs and views over the garden. A perfect place to spend early Sunday morning hours with a coffee and enjoying the views over the garden. Finishing off the accommodation on this floor is the family bathroom that is fitted with a modern suite comprised of a bath with shower over, a range of built-in vanity storage cupboards with fitted WC and wash hand basin.

....

Outside there is space for vehicular parking and a wrought iron gate that leads into the garden. A spectacular site and a true feature of the property, with extensive gardens wrapping round two sides of the property. There is a plethora of mature trees and shrub planting, ample areas for a kitchen garden and two sheds and a greenhouse. There is a large patio for entertaining, sweeping lawns, seating areas, a perfect place for family weekends
