Step inside through the white UPVC front door and you're welcomed into a small entrance hall with tiled flooring and access to a guest WC, complete with a pedestal basin, radiator, and white splashback tiling.

From the entrance, you're led into the incredibly spacious living room – a real highlight of the home. This room is carpeted throughout and benefits from ample light, from a large double-glazed window and sliding patio doors that open out onto the rear garden. There's ample space here for both living and dining setups, complemented by wall lights and ceiling fittings for a flexible lighting arrangement.

Just off the lounge is the fitted kitchen, with a clean, neutral design. It includes tiled flooring, ample wall and base storage, a gas hob, integrated electric oven, extractor hood, under-counter fridge, stainless steel sink, and a glazed door leads into the lean-to – ideal for additional storage or as a boot room. The lean-to gives access to both the front and rear gardens.

Off the lounge, you'll also find a utility area, with worktop space, plumbing for a washing machine, storage units, and the gas boiler. This space leads through to the integral garage, which has light, power, a rear-facing window, and an electric up-and-over door.

A second inner hallway connects the main living areas to the bedrooms and bathroom. The master bedroom is a generous double with a large side-facing window, built-in wardrobes, a fitted dressing table with mirror and lighting, and wall-mounted reading lights. The bathroom is fully tiled and includes a white bath with mixer taps, a low-level WC, a vanity basin with storage below, and a separate Triton electric shower cubicle with sliding doors.

Outside, the rear garden offers a good degree of privacy and is not overlooked. It's mainly paved for low maintenance, with mature borders, raised planters, and a variety of shrubs and small trees providing year-round colour. There's access via a side gate and from the lean-to, plus outdoor lighting for evening use.
