GENERAL REMARKS

5 Priest Weston is a very pretty traditional end terrace cottage which has been refurbished in a contemporary style and currently used as a holiday cottage. It is well presented with a spacious 18' lounge/dining room which has a woodburning stove as its focal point with a galley kitchen at the rear and timber framed porch at the front. Upstairs are two bedrooms and a bathroom.

Of particular note is the outside space which is quite private and provides off road parking together with a large stone terrace area which offers some beautiful country views of the surrounding hillsides which surround this peaceful hamlet.

The cottage is perfectly set up for those who wish to run a holiday let business or those seeking a peaceful bolt-hole as a country retreat.

SITUATION

The cottage is set in the heart of this pretty little village, just in England on the Shropshire /Powys border. Whilst amenities are limited, it does have a popular country inn and village hall whilst the closest village is Churchstoke 3 miles away. Stapely Hill, Mitchells Fold and Corndon Hill lie to the north and are popular with walkers and outdoor enthusiasts. The larger centres of Bishops Castle, Welshpool and the County town of Shrewsbury are within comfortable driving distance and offer a comprehensive range of services.
