GENERAL REMARKS

The Chalet is a delightful detached bungalow which is situated in an elevated part of Clun and so enjoys excellent views over the rooftops to wooded hills and open countryside for which the area is so well known.

Built of cedar timber frame with a brick external elevation, the property will require cosmetic refurbishment internally but does provide very comfortable and well proportioned accommodation of 3 bedrooms, a large living room leading to a conservatory/sun room at the front which makes the most of the splendid views. A kitchen lies to the rear with utility/shower and separate WC and bathroom.

Outside, the main gardens lie to the front with ample parking to the rear together with a detached single garage and a separate workshop.

The sale of the Chalet therefore, does present an ideal chance to acquire a lovely bungalow in a super position and to stamp ones own personality on it.

SITUATION

It is situated on School Road which is generally a peaceful location on the elevated south side of Clun. It is only a short stroll down to the picturesque river, the old pack horse bridge and on to the centre which is well served by a number of individual shops, pubs and cafes. The local towns of Bishops Castle and Craven Arms are only 6 miles and 9 miles distant, whilst the larger towns of Shrewsbury and Ludlow offer a comprehensive selection of services and amenities and access to the national motorway and rail network.
