GENERAL REMARKS

15 Bowling Green Close occupies one of the most desirable and exclusive locations in this wonderful and historic market town. One of only 17 on this quiet cul-de-sac, set in large gardens and only a short walk from the town centre, this individual bungalow is worthy of closer inspection. Built in the late 1970's, the accommodation briefly comprises a welcoming and large entrance hall off which all other rooms lie, including the light and spacious living room with windows to three elevations, kitchen/breakfast with access to the side gardens, 3 good sized bedrooms, modern shower room and separate bathroom together with a good study/office which could be adapted to provide a 4th bedroom if required.

A notable feature are the gardens which comprise an open plan section to the front with generous drive and parking area, and a delightful side patio with access to the kitchen porch and to the path which leads into town. To the rear are most private and landscaped gardens which feature a covered patio, ornamental pond and a wide selection of mature shrubs, herbaceous borders and shrubs and useful garden buildings.

SITUATION

Bowling Green Close is situated in a most convenient position, close to the heart of the town but retaining a picturesque tranquility, each occupying a large plot which is rare on any modern development. It is just a short walk to the main streets of Bishops Castle which offers an excellent range of local amenities and services whilst also being accessible to the surrounding countryside, most of which is designated as being of Outstanding Natural Beauty. The larger towns of Shrewsbury and Ludlow are both within comfortable driving distance and have access to the national road and railway network.
