GENERAL REMARKS

Halls are favoured with instructions to offer this excellent parcel of accommodation land near St Martins for sale by Private Treaty.

The land is currently retained in a single enclosure of first class grassland which is ideal for the grazing of all kinds of livestock, including horses. The land is predominantly level, fertile and in good heart with clearly defined boundaries and a double gated access on to a quiet council maintained country lane.

The land is situated in a noted farming district, so should be of interest to local farmers looking to supplement their existing acreages and also to those with equestrian interests, as it would be ideal for horses. It should also be of interest to those just looking for some amenity land in a super unspoilt rural setting.

It is unusual for a handy sized parcel of land such as this to become available for purchase in this area, so Halls, the sole selling agents, have no hesitation in recommending it for an immediate inspection.

The land extends, in all, to approximately 12.16 acres or thereabouts and is for sale by Private Treaty, as a whole.
